

First thing to do:

- Register at this site to have access to the Demo Database.
- To register, click [here](#)

Declare that you are older the 13 years. (I suppose you are, but anyways)

Fill in the form:

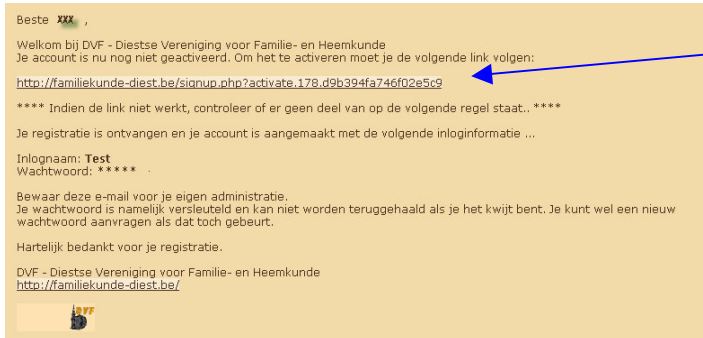

- Choose a login name
- Provide your real name
- Type in your password
- Repeat your password
- Provide your email address
- Repeat your email address
- Select option to hide (Ja) or Show (Nee) your email address (default is hidden)
- Type a message that is shown at the end of your forum posts
- Select your Time zone
- Type in the secure code
- Then click on [Registreren]

This confirms that a message has been sent to the email address you provided

Diestse Vereniging voor Familie- en Heemkunde

<http://familiekunde-diest.be>

You'll receive an email that contains a link.
Click the link to complete the registration

On our website, a message is shown that confirms a valid registration. Within a day, an administrator will configure your access rights.

To login:

- Type your login name
- And your password
- Check this, so the next time you login, the system will do that automatically for you
- If you have forgotten your password, click here
- If you did not received the activating mail, click here

Welkom

Beste

je autorisaties zijn bijgewerkt op DVF - Diestse Vereniging voor Familie- en Heemkunde
(<http://familiekunde-diest.be/>)

Je hebt nu toegang tot de volgende functie(s):

Publiek - Publiek

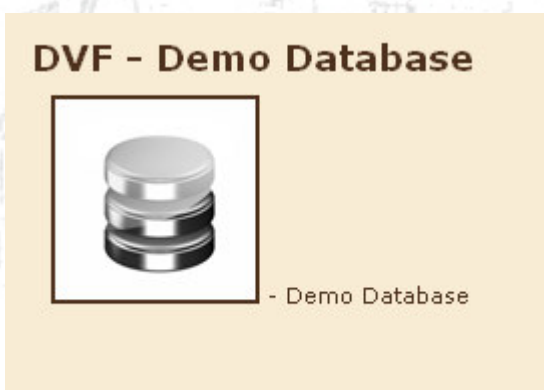

Groeten,
Eddy Keuninckx
(DVF - Diestse Vereniging voor Familie- en Heemkunde)

You'll receive a confirmation as soon as your privileges are configured. From now on you have access to the forum where you can post and you have also access to the Demo database.

You'll noticed that as there are suddenly new pages available

Click on the Tab [Demo Database], then on the Database icon.
